Valentines for Vets

Troops at all levels are invited to make Valentine's Day cards for Veterans at their troop meeting and then bring the completed cards to the leader meeting on February 7th, 2011.

All valentines will be sent to multiple VA hospitals in the area for delivery to the veterans for Valentine's Day.

Valentines must be completed and dropped off no later than **February 7th**. Completed valentines may also be dropped off at one of the addresses listed below.

**In Pleasanton ~ Karen Easley's house:
3231 Clifford Circle
Pleasanton, CA 94588**

**In Dublin ~ Catherine Brown's house:
11501 Soleado Court
Dublin CA, 94568**

**Questions: Contact Catherine Brown @ 833-2560 or
cathbrown@earthlink.net**

Please make it clear to your girls that they should not sign their last names to any of the cards; that perhaps simply saying "from Girl Scouts" is a better choice for safety and privacy reasons. Also, a general sentiment such as "Happy Valentine's Day" is most appropriate when we do not know the circumstances that have lead to them being hospitalized.
