CROSSROADS GIRL SCOUT THINKING DAY

What is Thinking Day? It is a Day celebrated by Girl Scouts and Girl Guides around the World.

This year our focus will be on Music, Songs and Instruments around the World.

Our event will include the special sounds that are celebrated in different countries.

Badge Options for Thinking Day

Pick your Country and then, as you plan your booth for Thinking Day, review all the following badge requirements. Please indicate on the Registration form, which Badge and which requirement that your activity fulfills. If you are a 1st grade Daisy troop or Brownie troop, your activity should fulfill a Brownie Try-it. If your troop is a Junior troop, your activity should fulfill a Junior Badge, and if your troop is 6th grade and older, it should fulfill one of the requirements for the Interest Project. If you have different levels represented in your booth, then you may be listed under each level. And remember, that as adults you can substitute or come up with another idea that will meet the requirement for that badge. Good Luck and have fun planning your Thinking Day booth.
