Book Donation Drive

Help a young child learn to read
and to love books!

We are collecting books for young children ages 2-5. Board books and picture books in English or Spanish are best. Books must be in new or gently-used condition.

Please no books for older children

We will be donating the books to local preschools serving large numbers of low-income families.

Collection boxes will be placed around Donlon Elementary School and in the school office between April 13th and April 29th.

Books may also be brought to the Girl Scout leader meeting on May 16th

For book pickup or questions, contact Dara Hogue
