 Taste of Africa!"

# MAGIC OF MAJI

## A Taste of Africa

"A Taste of Africa" is part of my Girl Scouts Gold Award project, Magic of Maji to bring African cultural awareness to the Bay Area. The show will demonstrate African culture through dance, music, cuisine, speakers, and art. Come watch professionals perform traditional African dances and songs to learn more about African culture. There will also be a fashion show, exotic food to taste, and beautiful art to enjoy. Girls will also have an opportunity to learn basic Swahili, play drumming rhythms, and do crafts. Attend "A Taste of Africa" to support Magic of Maji to help build water retention systems in Tanzania to improve the lives of Tanzanian villagers.

Enjoy a day of African  
 dance, music, art, and food!  
 Earn a fun patch!
