For our project, we decided to help enhance the experience of Alviso Adobe's visitors and their walk into the past of California. To do this, we are planting flowers native to California in the entrance to the adobe. We need YOUR help to accomplish this hefty feat.

**When:**

Rain or Shine

**What:**

Volunteers needed to help plant at the Adobe

**Shifts:**

1. 8am-10am

**Note:**

Girls/parents that do two or more shifts will be provided with lunch. Girls/parents that volunteer for one shift will be provided with a snack. All girls/parents will be provided with water.

**What we need to know:**

1. How many girls will be participating.
2. What shift(s) you would like to volunteer for.
3. How many parents will be there (1 parent for every 5 girls is required) they should be there to supervise AND help with the planting.

**Can't make it? Doesn't mean you can't help!**

We know that you have a very busy schedule and might have prior engagements but you can still help us by providing the following:

1. Plants (no smaller than 4inch containers) or seeds. We ask that you only donate the flowers on the list. Any other flowers CAN NOT be used.
2. CLEAN gardening gloves that you no longer need.
