Calling all Girl Scouts, past and present.

Join us as we celebrate this momentous occasion,
the 100th Anniversary of Girl Scouts!

At 7:12pm, 19:12 military time, get it? **1912**, 100 years ago!

The year Girl Scouting started in the United States!

We will give a SHOUT OUT to all Girl Scouts past and present.

There will be thousands of girls in hundreds of towns
throughout our Council doing the same thing, at the same!

We will sing our favorite Girl Scout songs and
have a beautiful candle lighting ceremony.

Because this is a school night, the event will be short, but memorable!

Bring your troop or come with your families. No registration required.

Anyone who attends will receive this custom
Crossroads Town Square Celebration patch,
delivered at the next leader meeting, April 16th.
