NEW! Junior Animal Habitats Badge Night

Imagine meeting a monkey or kicking up dust with a kangaroo. These animals live in the wild, so we don't get to spend time with them in their natural homes- their habitats. But that doesn't mean we can't find out more about where they live, how they play, and how we can help them and the pets we live with have better lives.

Junior Girl Scouts of Crossroad Service Unit join us and earn the Animal Habitats Badge
